

LET'S BUILD THAT TRUNK GIRL.

Glute day 1 & 3

Hip thrust - each set go up in weight so choose a weight that you know you can add more too.

- 1 x warmup set till failure
- 2 x 10-15 reps
- 1 x 8-12 reps
- 1 x 6-8 reps heaviest weight

Hip abductions on machine "COMBO"

Here we make a combo variation of single and both legs abductions (superset) the

3 x single leg abductions followed by normal abductions till FAILURE girl!

Let those cheeks BURN.

Single leg abductions - place one foot on the machine while your other leg is normal foot placement, doing motion. (watch my TikTok video, if confused)

Romanian deadlift Aka. RDL (can also be done in smith's stative)

4 x 8-12 reps

Single leg Romanian deadlift/RDL (Again, can also be done in smith's stative or with dumbbells)

3 x 8-12 reps EACH leg

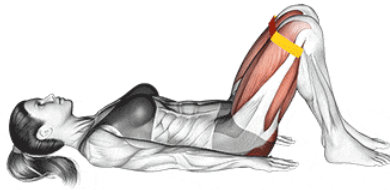

LET'S BUILD THAT TRUNK GIRL.

Glute day 2

Banded Glute bridges
(with dumbbell, kettlebell or in smith's stative)

4 x 12-15 reps

Hip abductions on machine "COMBO"

Here we make a combo variation of single and both legs abductions (superset) the

3 x single leg abductions followed by normal abductions till FAILURE girl!

Let those cheeks BURN.

Single leg abductions - place one foot on the machine while your other leg is normal foot placement, doing motion. (watch my TikTok video, if confused)

Cable kickbacks

3 x 12-20 reps

- Go up in weight each set.

Slow and controlled.

Do a warmup set if needed to get the perfect form.

Hyperextensions

3 x 8-12 reps

Hold a dumbbell or kettlebell as you're doing the movement

choose a weight you can handle.
